## **Facility Usage Policy and Guidelines**

Salem Lutheran Church has provided this facility and furnishings for the benefit of our membership. Nevertheless, we also make our facility available to our community depending on the purpose and nature of the group and based upon application and prior approval. Since there will be many groups using this area, the following guidelines are in place so that members and outside groups are all in agreement as to what constitutes good stewardship in relation to the use of the facilities.

Furnishings and equipment are church property and are not to be taken outside the facility or loaned out without prior approval of the church office and/or the Property team leader.

### **RESERVATIONS:**

A "Facility Use/Event Request Form" must be obtained through the church office or the Salem website - [www.salemlutheran-ks.org](http://www.salemlutheran-ks.org). (This does not apply to monthly ministry team meetings held in the classrooms). The person responsible for coordinating the event must complete the request form and return it to the church office; please allow at least 2 weeks advanced notice. Each request will be reviewed and ultimately approved or denied in writing by the church office. We expect that any reasonable request will be granted based on availability.

### **ROOM SET UP:**

The individual/group requesting use of the facility is responsible for setting up of tables, chairs, etc. They are also responsible for resetting the room including breakdown of any tables and chairs as well as cleanup of the area (including restrooms for cleanliness).
